More Riots.

Disturbances of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the Liver or Kidneys as Electric Bitters. It's a wonderful tonic and effective nerve and the greatest all around medicine for rundown systems. It dispels Nervousness, Rheumatism and Neuralgia, and expels Malaria germs. Only 50c. and satisfaction guaranteed by all druggists.

There are ten things for which no one has ever yet been sorry. These are: for doing good to all; for speaking evil of none; for hearing before judging; for thinking before speaking; for holding an angry tongue; for being kind to the distressed; for asking pardon for all wrongs; for being patient toward everybody; for stopping the ears to a talebearer; for disbelieving most of the ill reports.—Selected.

The best pill for the stars and stripes. It cleanses the system and never grips. Little Early Bitters of worldly repute—Ask for De Witt's, and take no substitute. A small pill, easy to buy, easy to take and easy to act, but never failing in results. De Witt's Little Early Bitters arouse the secretions and act as a tonic to the liver, curing permanently.
